Dufferin County announces the recipients of the 2022 Bill Hill scholarship. The program received 22 applications from six schools. Six students earned a one-time \$2,500 scholarship.

“We received a wide range of submissions this year that truly showcased the diversity of Dufferin County’s next generation of leaders and changemakers,” says John Creelman, Chair, General Government Services Committee, Dufferin County and Mayor, Town of Mono. “Congratulations to the recipients! We look forward to following their journeys and seeing the impact they’ll no doubt have on our community and beyond.”

The 2022 Bill Hill Scholarship recipients are:

- Paige Ethier, Shelburne – Skilled Trades & Training Program stream
- Emily Smith, Orangeville – Business & Social Sciences stream
- Islam Alhaj-Abed, Orangeville – Black or a Person of Colour stream
- Julia Miller, Grand Valley – Science & Technology stream
- Madelyn Crane, Orangeville – Agriculture & Environmental Services stream

Introduced by former Warden Hill in 2015, the program recognizes students who pursue post-secondary education and training in the areas of science and technology, business and social sciences, agriculture and environmental studies, arts, and skilled trades. Two scholarships recognize students who identify as Black, Indigenous, First Nations, Métis, Inuit, or Person of Colour.

Originally known as the Dufferin County Scholarship, it was renamed in 2019 in honour of former Council member and Warden Bill Hill. Since its launch in 2015, the program has recognized 33 students and awarded a total of \$82,500.
