Dear Mayor Mills:

Thank you for your application to the Ministry of Transportation's 2021-22 Connecting Links Program.

We received 42 submissions this year, and all were carefully reviewed by the ministry. Unfortunately, your project was not selected for funding in 2021-22. We encourage you to contact Zsolt Katzirz, Head of Operational Services, at 519-873-0486 or email [Zsolt.katzirz@ontario.ca](mailto:Zsolt.katzirz@ontario.ca) to discuss your submission and the reason for this decision.

The ministry recognizes the importance of investing in Connecting Link infrastructure. As you may be aware, the annual program funding available was \$30 million for the 2021-22 program year. I encourage your municipality to submit a project(s) for the 2022-23 Connecting Links Program, which will be open for applications later this year.

Thank you again for your interest in this program.

Sincerely,
