Dear Wade Mills, Mayor:

At the meeting May 5, 2021 Council passed Resolution #2021-107 in support of your request that Premier Doug Ford, immediately implement and fund necessary policies to provide adequate paid sick day benefits for Ontario's workers.

The lack of sufficient paid sick time is problematic due to employees not being able to afford to stay home and workers bringing the virus with them to their place of employment. We need to protect our essential workers, coworkers, and vulnerable population.

We thank you for your attention to this important issue.

Sincerely,
