Dear Mayor Mills and the Council for the Town of Shelburne,

Centre Dufferin District High School has had the privilege of hosting the Boys' and Girls' CWOSSA Rugby Championships. This year is the second year of a two year commitment. Last year our girls team placed third in the province at OFSAA for a second consecutive season and we have seen several of our athletes go on to represent Ontario and Canada at the National and International level as well as receive scholarships and opportunity at both College and University programs.

This regional championship will showcase our school, athletic talent as well as the town of Shelburne. To minimize impact on learning and school interruptions, we are hoping to have access to the Washrooms and Pavilion during this Tournament. We have completed the Faculty of Use Application and we are looking for the Town's support to reduce costs by allowing us access to these facilities free of charge.

The dates for the tournament are as follows:

Girls CWOSSA - May 22 (7:30am - 4pm) & May 24 (10am - 2pm)

Boys CWOSSA - May 27 (7:30am - 4pm) & May 29 (10am - 2pm)

Regardless of the Council's decision we would encourage you to come watch some of the Royals in action this spring. Thank you in advance for your consideration.

*Patrick (P.J.) Kings*
