

# Memo

**To:** Mayor Mills and Members of Council

**From:** Shelburne Arts Culture and Heritage Committee

**Date:** October 31, 2024

**Re:** Mural Project for the Curling Club

---

Dear Mayor Mills and Members of Council

This memo is being provided as an update from the Shelburne Arts Culture and Heritage Committee regarding a current project in progress for the curling club.

The Arts Culture and Heritage Committee has been holding regular meetings and are in discussions with a local manufacturer to place three heritage murals on the curling club building exterior wall facing Owen St. These murals will replace the ones that were removed due to their poor condition.

One photo has been chosen by the committee and is attached for your review. The first mural has been approved in the 2024 committee budget and the manufacturer has been chosen and installation should be completed in early 2025.

The photos for the other two murals to be placed on the curling club exterior wall have not yet been selected by the committee. Once they are chosen the committee will update Council. Upon approval of the committee's requested 2025 budget the other murals are estimated to be installed in the Spring of 2025.

Further information to follow as the project progresses. Thank You

Shelburne Arts Culture and Heritage Committee
