We would like to introduce the Bruce Trail Conservancy in general and the local Dufferin Hi-Land Bruce Trail Club specifically. The Bruce Trail is Canada's longest continuously marked walking/hiking trail, stretching 900 Kms from Niagara Falls to Tobermory and also has another 400 Kms of marked Side Trails. The trail follows the geologically and environmentally significant Niagara Escarpment, which is a designated UNESCO World Biosphere. There are nine volunteer based Bruce Trail Clubs that maintain sections of the trail and manage the business aspects of their individual clubs.

We want to discuss what the Bruce Trail ideology has to offer to the citizens of Shelburne and explore ideas as to how we can partner with the Town to assist in supplying another natural recreational/educational activity - we have become so much more than just a walking trail!
