## One Community, Caring Together

## **Recognizing challenges of past year and celebrating achievements**

During our Annual General Meeting on June 22, we recognized the effect the COVID-19 pandemic has had on our hospital, celebrated our achievements and recognized individuals who made a significant contribution to our hospital and community in the past year. The Dr. David Scott Award was presented to Dr. Nicola Mercer, Medical Officer of Health and CEO, and Dr. Matthew Tenenbaum, Associate Medical Officer of Health and the entire team at Wellington-Dufferin-Guelph Public Health (WDG Public Health). ## **Visitor, Chaplaincy & Faith Leaders Access to the Hospital**

We understand how important it is to have a loved one by your side. We have expanded our visitation policy as COVID-19 restrictions change within the province and region. Although we have not moved to open visiting at this time, we look forward to the day when we can safely welcome everyone back to our

hospital. Spiritual Care Chaplains are now able to visit all units, on Monday's, Wednesday's, and Friday's. Local faith leaders and clergy can also resume visiting at the hospital as of July 26. The Multi-Faith Centre is open every day of the week for patients, visitors, and staff. Infection and prevention control guidelines are in place for all essential visitors, chaplains and faith leaders. More information about visiting can be found on our website. [>>READ MORE>>](#)

## **Community Co-designed Annual Report**

This year's annual report is not your typical list of numbers and statistics. We were able to reach our goal of creating a report together with community members. The editorial and production team was joined by Patient family advisors, a graphic designer and local printer who all donated their time and talents to produce an annual report that speaks to the mosaic that is our broader community. ## **Community Library coming to Headwaters this summer**

The dynamic duo, Trinity and Victoria, are part of the Believe Leadership Club at the Orangeville District High School. They've chosen community libraries as their passion project. The hospital expects to be home to one of their libraries sometime this summer. [>>READ MORE >>](#)

## **Orangeville Lions Club Recognizes Exceptional Care**

Awards of recognition were presented to the hospital in honour of the exceptional care provided. Dialysis team nurses, Tania Alexander and Kelly Jenkins-Young were also awarded the prestigious Melvin Jones Fellowship Award for their work. [>>READ MORE >>](#)

## Caregivers in the Hills shares news & resources

Caregivers in the Hills is the first program of its kind to offer direct support to unpaid caregivers in all of Ontario. The program exists under the umbrella of the Hills of Headwaters Collaborative Ontario Health Team, a group of health and social care organizations and providers working together with family, patient, and caregiver representatives to improve the well-being of the Dufferin County and Caledon community.
