Business Support

Thank you to our local businesses for their support

Special thank you to Shelburne Driving School for offering special promotions to our members

& Orangeville Dental for offering a special discount for our members.

We encourage our local businesses to reach out to us to see how we can partner to provide services to our community

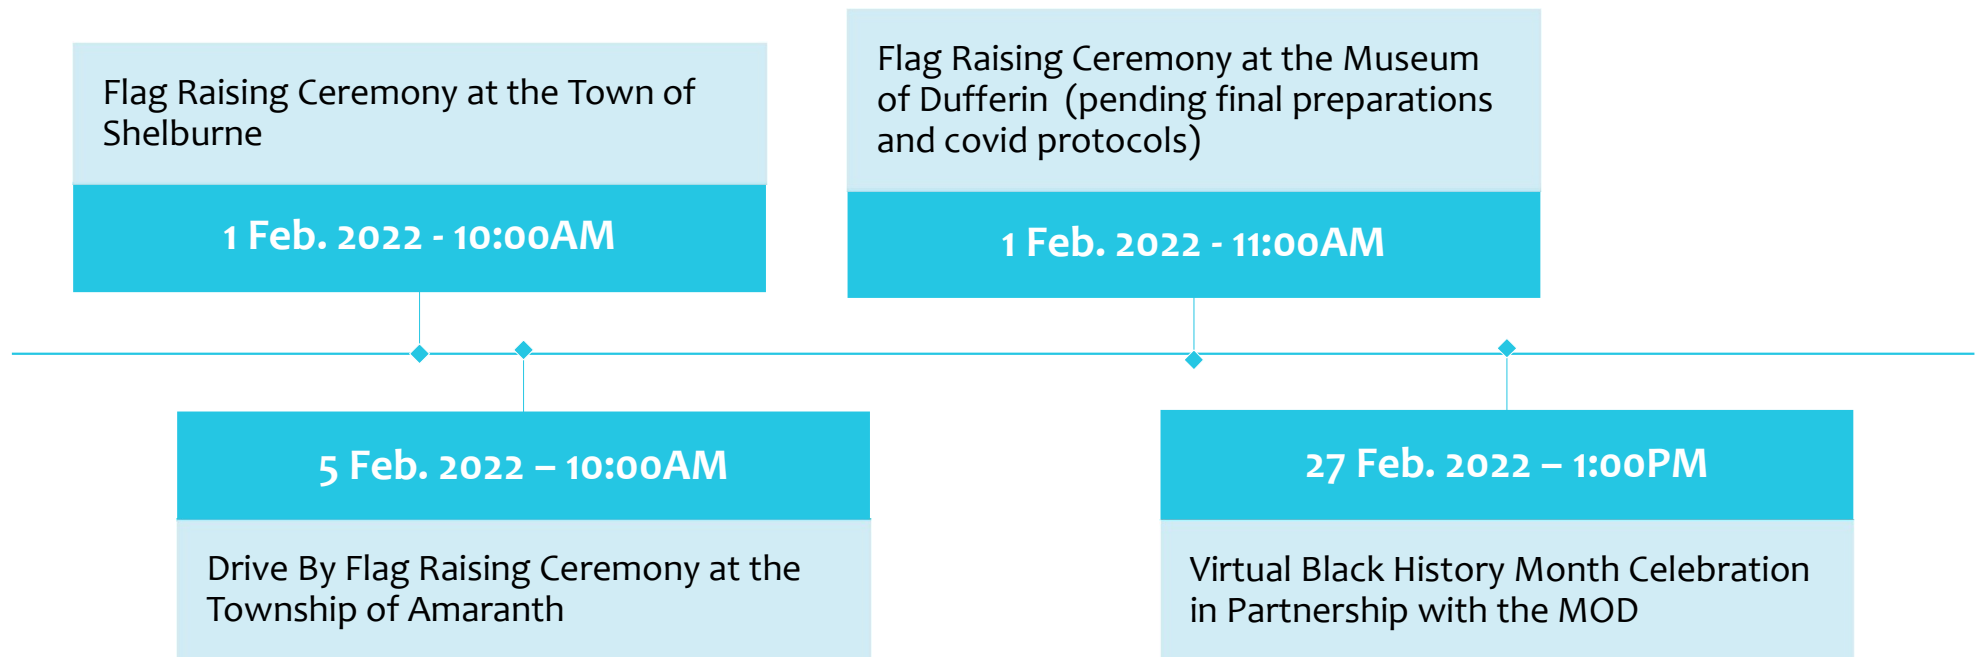

MOD highlights

Due to a number of requests to see the new display, I was honoured to facilitate a tour with a number of community members both locally and from Peel to see the display.

We were proud to showcase not just the rich Black History in Dufferin County, but the rich history of other communities as well such as the Sikh and Muslim artifacts on display at the museum
